Beginning Fall 2008, the IPEDS Fall Enrollment Survey, Part F, calculates student to faculty ratio. The FTE student and faculty counts are based on full-time head count plus part-time head count divided by 3. The student FTE is not calculated using credit hours. Faculty counts come from the IPEDS EAP and HR surveys. Faculty includes tenured, tenure-track, lecturers, and other faculty. KU excludes Law (JD) and Medicine (MD) students and faculty. Graduate Teaching Assistants (GTAs) are excluded.

Common Data Set Definitions (Fall 2002-2007):

Student definition based on counts reported on IPEDS Fall Enrollment survey. Part-time students are divided by 3, medical students are excluded.

Faculty definition uses ranks of professor, associate, assistant, and instructor as reported to American Association of University Professors. This excludes lecturers, graduate teaching assistants, clinical medicine faculty, librarians, and administrators. Part-time faculty are divided by 3.
