Note: Beginning Fall 2010, Federal Reporting Guidelines required institutions to collect race/ethnicity information in a two question format. Students who answered the first question (Are you Hispanic?) in the affirmative are included in the Hispanic counts but may have reported other race/ethnicities for the second question. Students answering no to the first question were allowed to select one or more race/ethnic categories in the second question. A new category, Native Hawaiian/Pacific Islander, was included in the second question selection.
