At the end of the third year students begin graduating from their programs and the rate of students still enrolled no longer reflects the full retention rate.

* Only full-time students are included. Full-time status is based on the number of hours enrolled (12 or more) during the initial semester at KU.

** Students have been removed from the cohort based on federal regulations which allow exclusions for the following reasons: 1) student is deceased or is totally and permanently disabled, 2) student left school to serve in the armed forces or was called to active duty.
